

# Lake Elsinore Soaring Club

Experience the pure joy of flying like a bird, wheeling gracefully through the sky. Circle in thermals and climb thousands of feet without an engine.

- **Pilots** – Get your glider rating and improve your flying skills
- **Non-Pilots** – Learn basic flying skills cost-effectively and soar with the eagles
- Develop stick and rudder skills that will allow you to progress through successively higher performance sailplanes
- Financially attractive way to get your private and higher ratings. Your monthly dues cover all flight time costs. You pay only for your aerotows and instruction

LESC is a nonprofit, educational organization dedicated to providing safe, inexpensive soaring to its members and the community. Men and women of all ages and from all walks of life come together here to soar. The club is a chapter of the **Soaring Society of America**.
